Hi there ,

Thanks for joining our Hackathon!

Here's this year's challenge. If you have any questions, you can ask someone from Daisy Intelligence through Discord.

You will have until **Sunday, January 9th at 10:00 AM EST** to submit your solution to [hackathon@daisyintel.com](mailto:hackathon@daisyintel.com), including your presentation file and any source code used to generate your solution.

Your submission should be named "**solution\_<team\_name>.zip**". If your team name contains any special characters, please be sure to replace them with alpha-numeric characters.

All teams will present their method and solutions in front of our judges, so please come prepared.

Good luck everyone!

Thanks,  
Daisy Intelligence Team
